UNCOVENANTED SERVICE FUNDS.

841. (a) In addition to his contribution under Article 809 or 823, a subscriber to the Bengal or Bombay Uncovenanted Service Family Pension Fund must pay to the British Government one-fourth of the premium which he pays to the Fund. This contribution is required to compensate the Public Treasury for the cost of favorable interest paid to the Fund on behalf of the subscriber.

(b). This premium when due from subscribers to the Bengal Fund is collected by the Directors of the Fund and adjusted in communication with the Comptroller, India Treasuries.

(c). The arrangements for the Bombay Fund are somewhat different; if the subscription is paid at a Government Treasury the premium is collected at the same time without the intervention of the Directors of the Fund; but in cases in which subscription is paid to the Directors direct, they collect the premium also and adjust it in communication with the Accountant General, Bombay.

Exception (1). An officer who, being at the time of transfer a subscriber to either of the above-mentioned funds, was transferred to Foreign service before the 24th December 1879, and has not returned to Government service since then, is not required to pay any additional premium.

Exception (2) An officer who has been on Foreign service and has gone on furlough retaining a lien upon any appointment

British officers on Foreign Service should receive the same concessions & privileges they enjoyed when in British service. The only instance in which the question was raised was that of Mr Biddulph the Auditor General while on temporary employment in Mysore, when it was decided that the Sceen premium would for the present be recovered from the Officer himself & not charged to the Mysore State. Attention is invited to Note (1) of Art 841 (a) of the Civil Service Regulations under which the Retrenchments of Officers are chargeable with this Sceen premia in case of officers employed therein — Memorandum Pamphlets

my account.

2. I had understood when entering the Impore Service, that the contributions specified were the only excess payments leviable in my case under the Civil Service Regulations. I found, however, after joining my appointment in foreign Service, that I was required to pay under article 841 Civil Service Regulations, an additional monthly subscription to the Bengal Uncovenanted Service Family Pension Fund, to which I have belonged since 1892. The excess amount so paid for the twelve months ending December 1899 was about Rs 143-14-4 as recorded in detail on my salary bills,

about £9.12 per mensem

subscriptions to the fund being adjusted through the Comptroller.

3. I venture to think that the intention both of the Government of India and of the Mysore Government was that all the additional contributions leviable under Chapter XXXVI of the Civil Service Regulations by reason of my deputation to foreign Service should be defrayed by the latter Government, and that the enhanced payment under article 841 escaped notice. I was personally unaware of the rule until after I had joined foreign Service. My increased 25% on the normal Fund Premium which, under article 841 I am obliged to pay, deprives me

of the benefit of the Fund rules re-
-garding abatement of subscription
from year to year, and in practice
is tantamount to a reduction
of the salary which, under the letter
quoted above, it was intended that
I should receive.

4. In these circumstances, I
have the honour to request that you
will move the Government of Mysore
to consider, on grounds of equity,
whether any excess contribution
paid or payable hereafter under
article 841 should not be refunded
to me. In the event of a refund
being ordered, I beg that the
Comptroller be authorised to pass
to me monthly a sum equal to

the deduction made from my Salary
to cover the 25% excess payment
in question.

Sir,

I am directed to reply to your letter, No. 13/D dated the 12th December 1900 regarding the additional subscription due from Mr. Pigot to the Uncovenanted Service Family Pension Fund, under Section 841 of the Civil Service Regulations, consequent on his deputation to the Mysore State.
